HOPE IS STRONGER THAN FEAR.

When we stand together, we are much stronger than those who incite fear.

we Pray for London

We remember all who have died or been injured, and those who care for them.

Let our voice be one of prayer, of compassionate solidarity, and of calm.

All who believe in God, Creator and Father of every person, will echo this voice,

for faith in God is not a problem to be solved, but a strength and a foundation on which to depend.

Amen.
